GRAND BALL OF
A. O. H. TONIGHT

Official Welcome is Extended to
Army of Visitors

With from 275 to 300 delegates and visitors in attendance in addition to the members of Houghton county divisions, the biennial state convention of the Ancient Order of Hibernians of Michigan and the Ladies' Auxiliary, was formally opened this morning with Pontifical Mass celebrated by Right Rev. Frederick Elie of Marquette, bishop of this diocese, at the Sacred Heart church. Following this significant opening, the visitors were officially welcomed at the Red Jacket town hall this noon and at 4 o'clock this afternoon will hold their first business session. The big feature for this evening is the grand ball at the Calumet Light Guard armory. Tomorrow will be given over almost exclusively to business sessions.

Delegates and visitors arrived in Calumet on force on last evening's train and were greeted at the depot by a reception committee composed of local Hibernians. While many of the visitors are guests at the Arlington, Michigan and Central Hotels, a majority of the visitors are domiciled in private homes.

Big Parade Today.

The visitors and members of the Hancock and Calumet divisions assembled at the Red Jacket town hall at 8 o'clock this morning and headed by the C. & H. band marched to the Sacred Heart church, being joined at the Sacred Heart auditorium by the members of the Ladies' Auxiliary, including visitors from all parts of the state and

from the copper country towns. Members of the two councils appeared in the parade.

At the Sacred Heart church, the pontifical high mass celebrated by Bishop Elie proved a very impressive service, occupying the greater part of the morning. The sermon by Rev. Fr. Barth of Escanaba, proved an eloquent effort and all who were present were deeply impressed. At the conclusion of the service, the C. & H. band rendered "Reminiscences from Ireland," the selection including a great number of the old Irish favorites.

Welcome for Visitors.

Immediately after the close of the service, the procession reformed and proceeded to the Red Jacket town hall, where Attorney Ed. MacCormack, representing Mayor E. H. Schumaker, delivered an address of welcome and assured the visitors of the freedom of the city and every courtesy that can possibly be extended. County President Dan Crowley of Hancock presided at this gathering. Responses were made by P. J. Murphy of Detroit, state president of the Hibernians, Miss Anna Lacey of Ishpeming, state president of the Auxiliary and by Miss B. A. Mahoney of Laurium, national vice president. All of these officers expressed their pleasure at the opening of the convention was under such auspicious circumstances and expressed hope that the people of the copper country might become better acquainted with this great fraternal order.

An adjournment was then taken until 4 o'clock this afternoon, when the credentials committee will prepare its report to be submitted at the opening session tomorrow morning.

Social Features.

The grand ball of the Hibernians in the Light Guard armory this evening, with music by the C. & H. orchestra, will open the series of social activities for which the convention will be notable. The public is cordially invited to be present at the dancing party this

TWO FATALITIES
IN C. & H. MINE

Both Men Linger in Hospital Few
Hours After Injuries

Peter Dyski, a Russian Pole, aged about 30 years, died in the C. & H. hospital shortly before midnight, as a result of injuries he sustained yesterday morning, when he was caught between a fall of hanging rock on the 70th level, south side of the No. 7 shaft, Hecla branch of the C. & H. mine. Dyski's leg was badly crushed, the shock being partly responsible for his death. The deceased had resided in Calumet but a short time. He leaves a wife who resides in Russia. Funeral arrangements will be made later.

Coroner Fisher impounded a jury composed of Robert M. Wetzel, Joseph Limbach, James Martin, Fred LeBeau, John B. White and Alex. McAuley. After hearing the evidence, a verdict of accidental death was returned.

Thomas White Killed.

Thomas White, aged 36 years, a well known resident of Calumet, died at the C. & H. hospital about noon today as a result of injuries he sustained this morning in being struck by a skip in the No. 14 shaft. White was working as a sprinker and while so engaged noticed a rock pressing against a roller in the shaft. He went to remove it. At this time the skip was about two levels below the point where he was working, and although the skip moved so slowly he had ample time to get out from his precarious position, he failed to do so until too late. He laid between the ties as the skip passed, and to companions who rushed to his assistance immediately afterward, he expressed pleasure at his fortunate escape. On his way to the hospital, he became unconscious and passed away soon after reaching the hospital. An investigation revealed the fact his chest was badly crushed. The deceased was a single man. Funeral arrangements will be announced later. Coroner Fisher is conducting an inquest this afternoon.

evening, and it is made plain that admission will be free for all Hibernians, either visiting delegates or local members.

Thursday evening's banquet will also be open to the public and this event likewise will be of great interest, a splendid program having been prepared. The armory has been beautifully decorated for the occasion.

An automobile trip for the visiting delegates is being arranged for Friday.

IS VICTIM OF
RIFLE WOUND

Richard Trevarthen in Serious
Condition in Hospital

Richard Trevarthen, son of Mr. and Mrs. James Trevarthen of Calumet avenue, is in a serious condition at the C. & H. hospital as a result of a rifle wound over the heart. The wound was discharged while in Mr. Trevarthen's own hands early this afternoon. His parents state he was engaged in cleaning the rifle and was unaware of the fact it had a cartridge in it. Mr. Trevarthen's parents rushed to the barn at the rear of the house, where the report was heard and found their son prostrate. He was removed at once to the hospital, where a partial examination revealed the fact the bullet had lodged in his back. His condition is regarded as precarious.

Mr. Trevarthen is well known in Calumet, having lived here practically all his life. He was at one time employed as dog catcher in the village of Red Jacket.

ENTER CREW IN
MINE CONTEST

Demonstration of First Aid at L.
S. Mining Institute

The entry of a crew of first aid to the injured experts by the C. & H. Mining company, in the big contest to be conducted at Ishpeming on August 31, in connection with the annual meeting of the Lake Superior Mining Institute, is regarded here as more than a possibility. A crew of men has already been selected for this event and is receiving special instruction every morning at the rescue car of the bureau of mines. While the members of the crew have shown great ability in this direction, it will not be decided definitely for two or three days whether the entry will be made. In the meantime the men selected for the crew will continue work under the direction of the rescue car instructors.

Every team entered in the contest will be composed of five men, including the captain. The team can select its own patient or have a patient selected by the contest committee. Each team must enter the contest fully prepared for all contingencies and will take entire charge of the patient.

Teams will be discounted as follows, for mistakes:

1. "Not doing the most important thing first, 5 points; failure of captain to command properly, 2; slowness in work and lack of attention, 4; failure to entirely cover the wound or being unable to give location of injury, 4; ineffective artificial respiration, 10; splint improperly padded or applied, 2; tight, loose, or improperly applied bandage, 6; insecure or granny knot, 5; unclean first-aid material, 5; failure to have on hand sufficient and proper material to complete a dressing, 5; lack of neatness, 2; awkward handling of patient, 5; assistance lent by patient, 5; tourniquet improperly applied, 5; failure to stop bleeding, 5; not treating shock, 5; failure to be aseptic, 10; improper treatment, 10; failure to finish in the allotted time should be discounted one point for each minute over time."

PRETTY WEDDING TODAY.

Miss Louise Stephens Becomes Bride of Julius Ziegler.

The home of Mr. and Mrs. William Stephens of Hecla street, Hecla, was the scene of a very pretty marriage at 8 o'clock this morning, when their daughter, Miss Louise, became the bride of Julius Ziegler, son of Mr. and Mrs. E. G. Ziegler of Laurium. Rev. Luther K. Long of the First Congregational church officiated. The ceremony was a very quiet one.

The bride was attended by her sister, Miss Edith Stephens while Gladstone Ziegler, brother of the groom was best man.

Mr. and Mrs. Ziegler departed in an automobile for Houghton where they boarded the Ticonderoga for a trip to Buffalo and lower lake points. They will be at home after Sept. 15 on Pre-wabek street, Laurium.

The bride is a well known and popular Calumet young lady, having been employed as cashier at the Gately Wiggins store. The groom is associated with his father in the business of the Calumet Bedding company.

Matt Raaruler of Appleton, Wis., is a business visitor in Calumet.

ROAD WORK MAY
BE POSTPONED

Keweenaw County Commission
Held Meeting Yesterday

The Keweenaw county road commission held a meeting yesterday in the county building at Eagle River, to consider the Keweenaw county road improvement project, mention of which has been made before. The meeting was called primarily for the purpose of considering the applications of road engineers. Action on these applications was deferred, however, it being the attitude of the board that unless it is necessary to start the improvements this year to provide employment for men without work, it would be wise to postpone the entire improvement project until next year. Difficulty would be encountered in completing the work this year, because of the lateness of the season, in the estimation of the commission and if an engineer is employed now, to establish grades, there is a big possibility these grades will be lost before spring, owing to action of the frost. The commission will confer with the managements of the Keweenaw county mining companies to ascertain if there is a possibility of a curtailment which will throw a large body of men out of work. If this possibility exists, the road commission probably will recommend immediate action to the board of supervisors, but otherwise a postponement of the entire plan until spring, probably will be decided upon.

John G. Bennett of Ahmeek was named as chairman of the board of road commissioners to succeed Frank H. Gitchell, formerly of Mohawk, who has resigned.

The executive board of the Copper Country Commercial club will meet this evening to name a committee which will act on the proposal to bond Houghton county for the sum of \$300,000 for road improvements. The popularity of this plan in Calumet and other parts of the county, make it certain the committee will have the support of businessmen and citizens of all walks of life, in presenting the project to the board of supervisors.

SOCCER FOOTBALL TEAM
TO BE ORGANIZED HERE

FIRST PRACTICE SCHEDULED FOR
SATURDAY IN THE C. &
H. FIELD.

Physical Director John Johnstone of the Calumet Y. M. C. A. will make another effort to revive interest in soccer football in Calumet and vicinity. He announced today that candidates for the team and those who know the game will hold their first practice Saturday afternoon in the C. & H. field and every effort will be made to secure a good team for Calumet.

In addition to eight or ten players of the soccer football team organized here about two years ago, and which enjoyed a very successful fall campaign, there are a number of new men who have recently arrived in Calumet and vicinity, who are almost certain to make the team. It is felt there are fully twenty men available.

The Quincy and Painesdale teams have already been organized for the season and have made efforts to secure games with Calumet. Nothing definite can be done in this direction, however, until the local team is organized. Mr. Johnstone hopes this will be accomplished after the practice Saturday.

The funeral of the late Edgar Pascoe, whose remains arrived here yesterday from Seattle, will be held tomorrow with services at the home of his sister, Mrs. Milton Heaton, 515 Fourth street, Blue Jacket and at the Calumet M. E. church at 2 o'clock, Rev. C. L. Adams, officiating.
